BEACH GETS FACELIFT FOR SUMMER CROWDS

**STAR
GAZE**

Full marks to Altona Council for the Christmas tree which brightens up the civic offices at night. But the same cannot be said for the colored plastic flags in Pier Street which do anything but suggest Christmas. This type of decor can be seen at many service stations and car yards. In this age of synthetic Christmas trees, does even Christmas have to be plastic?

★

Much warmer in spirit is the "Carols by Candlelight" evening which the council and Altona City Band have arranged for this Sunday evening at Logan Reserve. Candles will be on sale by the band and programs will be distributed. Be there at 8.15 p.m.

★

Altona health expert, Bill Ross, is fussy about what he eats and so if he says the Bayview Restaurant in Pier Street is good, it must be. See his report inside the paper.

★

Pier Street is really all the new development taking shape now with the supermarket, three new shops on the for a swim and health eastern side and plans centre opposite Kiama Press.

Big clean-up in full swing

Altona Council has started its annual clean-up of the beach in preparation for the summer crowds.

Council workers are left flat out bulldozing clean sand on to certain areas of the foreshore.

The sand was pumped up from the boat ramp area last year and stockpiled by council on Cresser Reserve.

Talking to the Star this week, the mayor of Altona, Cr. Harry Weaver, said more than the usual amount of seaweed had accumulated on the beach.

"But this has been the same all around the bay", he said.

Cr. Weaver said in some cases council workers had been working double time to clean the foreshore. "The big clean up is on", he said.

Council has received considerable co-operation from local clubs and associations which have participated in "operation beach-clean" for the past two Sundays.

"Beachgoers in Altona this summer will notice that trees along The Esplanade are in new wooden tree guards which look quite effective," said Cr. Weaver.

Another big clean-up is soon to take place east of the Altona Workingmen's Club.

On Monday afternoon, Mayor Weaver, Town clerk Mr. Fell and City Engineer, Mr. Simmons met members of the club to discuss cleaning up the area between the clubrooms and the old tip site which has been levelled.

'CAROLS' ON SUNDAY

Altona's Mayor, Cr. Harry Weaver, this week urged ratepayers and visitors to the community to "get with the Christmas spirit" and attend carols by candlelight at Logan Reserve this Sunday at 8.15 p.m.

Talking to The Star, Cr. Weaver said he hoped Sunday night

would be a happy night for all.

The carols night is again being conducted by Altona City Band in conjunction with Altona Council.

Music will be provided by the band and members of Altona City Youth theatre have or-

ganised a musical program interspersed with carols.

Programmes, with the words of all carols to be sung, will be distributed on the night and candles will be sold by band members.

Weather permitting carols will be sung for about one and a half hours.

Students and teachers at Altona East primary school have constructed an adventure playground and beautified their school area by an unusual approach to SEC poles.

The school received a number of poles when the ones near the school were replaced. A request by the school principal resulted in the supply of 40 more poles at the cost of a dollar each.

Soil from new roads and building sites was supplied by the local council and made into various shapes including small hills.

Girl shot with rifle

Altona police are seeking information which may lead to the apprehension of a person who shot a teenage girl with an air rifle at Altona West last Saturday night.

The shooting took place at the intersection of Maidstone and Blyth streets at about 7.45 p.m.

The girl was hit in the back by an air rifle pellet. She was not seriously hurt.

Shortly afterwards, failed to detect where

the shot had come from.

Residents who saw or heard anything when the shooting occurred, are requested to contact the investigation by police police at the station in Blyth Street.

EARLY STAR

Advertisers and contributors are asked to note that the Star will be published on Tuesday next week — one day earlier.

Display advertising should be in hand by 5.0 Friday, classified and situations vacant advertising by 5.0 Monday. Deadline for news reports is 10.0 Monday.

Dumpers warned

Altona council is concerned over rubbish that has been dumped outside the city's old tip site adjacent to the Pines scout camp.

Talking to the Star, Altona's town clerk, Mr. Syd Fell, said some people obviously weren't aware of the new tip site adjacent to the explosives pier.

"People continuing to dump rubbish near the site of the old tip will be liable to prosecution," Mr. Fell warned.

The new tip site is for use by Altona ratepayers only and it is possible that rubbish dumped outside the old tip site could have been taken there by residents from another suburb.

THE NATURAL THING

Over the years, as a haunter of good restaurants, I have learned two things.

Firstly, if the establishment is too large, forget it.

The meals will be almost invariably mass-produced and the personal touch, so important to relaxed dining, will be missing.

Secondly, when the decor is extravagant the food in kind and quantity may bear to this sumptuousness an inversely proportional relationship.

I took it as a good omen when these two indicators of poor cuisine were missing from the Bayview Restaurant in Pier Street.

Soon at ease in the friendly atmosphere, I was approached by the hostess, Elvira.

In the conversation that followed — naturally about food — I learned that her mother, who prepares the fare at the Bayview, had worked for many years in some leading European night spots.

I looked over the menu she handed me and noted with some satisfaction an absence of the host of greasy fries that are so often fobbed off onto the public in small suburban restaurants.

To tickle your taste buds, I'll mention a few — Wiener schnitzel, roast chicken, crumbed chicken, Italian style meat balls, stuffed hot peppers, and Hungarian goulash.

Perplexed at the variety, I conservatively zoned in on the wiener schnitzel.

Just enough minutes had flicked by to indicate my dish had actually been cooked, not warmed, before it appeared on my table.

I was hungry and noted

with growing joy how the crisp golden wiener lapped to the very edges of the plate.

Accompanying it was an ample serve of French-fried potatoes, carrots and peas, which were not waterlogged, plus a bowl of salad.

Wielding knife and fork I attacked the formidable wiener.

As I bit into the first golden slice I wasn't quite sure, but as I ate the second mouthful I was.

This restaurant has me as a customer for as long as it stands.

Fulfilled and contented but nevertheless vocal by nature, I ordered cheesecake and coffee.

The cheesecake had substance and its slight lemon flavor left me ready for the coffee.

This meal cost me less than \$1.50.

Needless to say I returned the following night to hunt down the roast chicken. I can assure you it was a wonderful experience.

Besides catering for individual needs, the Bayview provides excellent facilities for Christmas parties, birthdays — any kind of celebration in fact.

The restaurant is a licensed byo, allowing you the choice of what to get high on.

By ringing Elvira on 398 2751, a band and entertainment can be arranged.

Anyway, don't take my word for it, go down and see for yourself.

The Mayor of Altona, Cr. Harry Weaver and president of the Altona Hospital Ladies' Auxiliary, Mrs. June Crofts are pictured drawing the winning raffle ticket at Koorringal Golf Club.

Four-year-old wins big prize

The huge Christmas stocking raffled by Altona Hospital ladies' auxiliary has been won by four-year-old Kim McCauley of Bracken Grove, Altona.

Valued at \$200, the stocking contains groceries and toys donated by local business people.

The winning ticket, number 523, was drawn during a function at Koorringal Golf Club on Friday, December 1.

The ticket was purchased by Kim's mother,

Mrs. McCauley who bought a number of tickets.

After the draw, the president of the Altona Hospital ladies auxiliary, Mrs. June Crofts, presented a cheque for \$1035.20 — the proceeds from the raffle — to the hospital.

The money will be used to help pay for new equipment purchased for the new wing of the hospital, this year.

CROW SAYS MMBW LAND SCHEME BAD FOR WEST

Subsidised development of land will further deprive the west if the Board of Works goes ahead with its proposed corridor growth pattern.

Mr. Maurie Crow, who has closely studied the growth plan, said he would argue for a Gippsland corridor plan as an alternative.

Proposals for a Berwick corridor are being opposed by such groups as the Lower Yarra Crossing Authority who advocate subsidised development in the west.

Mr. Crow is a partner in a legal firm and has for some years been associated with several town planning organisations.

With his wife, Ruth, who has been a teacher and a youth worker, he has recently published a book of 154 pages titled

"Plan for Melbourne" in which they set out their arguments for a Gippsland corridor.

Towards the end of November, Ruth and Maurie Crow were given the Robin Boyd Environmental Award of Merit by the Royal Australian Institute of Architects for "their valuable and perceptive contribution as laymen to the literature of town planning."

Books

In addition to the series of three books, called "Plan for Melbourne" the Crows have published pamphlets, articles and

news letters on various subjects such as transport, urban renewal, child care and other matters affecting every day life of Melbourne people.

The social imbalance which has resulted in the "deprived west" will be aggravated, not cured, by the present MMBW proposals for forced development, claimed Mr. Crow.

He added: "The west needs balance in the sense of quality."

"It needs better and more educational opportunities at all levels including a comprehensive university and a network of pre-school centres that also serve the needs of the parents of young children."

"Special consideration needs to be given to recreation areas, not only for organised sport but also for passive enjoyment."

"The west also needs more hospitals, community health centres, welfare services and a long-range plan for beautifications, especially for the Maribyrnong River."

Mr. Crow said that forced development as at present indicated in the MMBW planning proposals, would encourage industrial growth in the west, more factories would be built and there would be an even greater concentration of lower-paid and migrant workers living near their jobs.

Higher paid workers resist living in the west and, although some may be attracted to prestigious estates at Sunbury or Melton, this would not overcome the deprivation, he said.

The area to date has not had the advantage of a reasonably balanced cross-section of working people and the present MMBW proposals would aggravate and not cure this imbalance.

"Subsidies for the development of services of an innovative and pioneering character such as an open university with special op-

portunity for mature age students, well staffed and equipped schools, community controlled child care and so on would attract teachers, health workers, welfare workers and others not only to work in the west but to live there and play a day-to-day part in the life of the people of the area," Mr. Crow said.

Tolls

He said the Lower Yarra Crossing Authority had advocated subsidised development of land in the west because it wanted the West Gate Bridge tolls to pay for the bridge construction.

The authority had not advocated subsidies for better community services, he said.

"The board, in effect, is being invited to pattern its whole regional design, which will affect generations to come and the life support systems on which they must depend."

"The board is not asked whether there should be a bridge or not, but at what rate people should pay to use it, or over what period it can be paid off by tolls," Mr. Crow said.

"If we are talking about investment, there is immense capital tied up in the central business district of Melbourne. The return of this capital, which is private capital like that of the West Gate Bridge, depends partly on access to the city."

"The Lower Yarra

Crossing will give greater access to the centre of the city by car but this will eventually put limits on the number of people who can use the city centre.

"If we are serious about maximising access to the central business district and thus get long-term capital returns from investment there, the Gippsland corridor development, as proposed by us, will in the long run enable more people to daily enter the central business district."

"A rapid train system would ensure this."

Mr. Crow said that trains would be able to travel at 150 to 200 miles an hour, stopping at stations about eight to 10 miles apart.

"In between the main rapid transit station cities, there would be smaller suburban cities around stations for electric trains. The Gippsland line is all ready electrified to Traralgon."

Val's Column

Hello Girls,

Be sure not to forget your sun tanning and sun screening preparations for your holiday season.

Particularly, think of younger children, they do not realise as we do, how sore you can be by sundown if no sun screening cream has been applied.

We see worried mothers with blistered youngsters, it doesn't look nice, and must be quite uncomfortable. All exposed areas need cream applied but I think you must always be sure to protect faces, ears, and shoulders.

You know there are screens for olive skins, normal skins, but do you realise young skins can do with extra care? Yes, also many fair skins in adults. You must ask for a more protective product — Cyclax Sunproof Cream gives 100 per cent. protection against sunburn and windburn, helps prevent freckling, too. Extra valuable, girls, because it can be used as a powder base. So when you are on your way to tennis or golf, call and ask for Cyclax Sunproof Cream.

Revlon Moisture Bronze for sun sensitive skins as the name implies, feeds the skin while the weather is trying to dry your natural oils. Used regularly, every three or so hours, or after swimming, even the most sensitive skin will get a gradual honey tan without discomfort. Add extra applications of either of these Cyclax screens to face and shoulders for sure protection.

Sun Bath for sensitive skin that burns easily is by Revlon and is moisturising your skin while filtering the harmful rays of the sun. Again — apply two hours for sure protection. Sun Bath is available in tube or bottle — as a cream or lotion.

If you prefer a gel, that is, if you or your children are in and out of the water, remember Revlon Bronze Lustre for skin that burns easily. Once again it has emollient properties to keep your skin moisturised and smooth. Bronze Lustre helps promote a tan without burn, peeling or flaking. In lipstick form, easy to carry, easy to apply under or over make-up is Revlon Sunstick. A moisturised, highly protective sun filtering preparation. It gives maximum protection to any sensitive area — e.g. ears, eyelids, nose, lips, cheeks — it actively filters out the ultra-violet rays of the sun.

So you and your family have absolutely no need to burn (remember cloudy days can also be danger days). So cover up with sun products best suited to you.

Bye.

HERBERT'S PHARMACY
PIER STREET, ALTONA

PC's NAB THE MIDNIGHT JUG STEALER...

By The Star court roundsman John Dixon

Police thought it looked suspicious . . . after all, it's not every day you see a young chap walking along the street at night with a beer jug in his hand.

They stopped to ask about it. And saw it contained a champagne glass.

So they started asking questions of Andrew Stephenson, of Fourth Avenue, who had the jug in his hand as he marched down Millers Road, Altona North.

The police patrolmen found what they suspected had been right.

Stephenson admitted he took the jug from the Central Hotel, in Millers Road.

The same applied with the champagne glass, he told them.

Constable Alan Graham, now of Maidstone police, but on November 23, when Stephenson was spotted, with Footscray CIB, told the court of what followed.

Stephenson, he told Mr. G. Miller, SM, had been asked which bar he stole the jug and glass from and said it was from the hotel lounge.

At Footscray police station later, Stephenson made a complete admission in a recorded interview, Mr. Miller was told.

The magistrate asked Stephenson if he wanted the record of interview read to the court.

He said he did not. He had already read it.

Mr. Miller took a serious view of the escapade and fined Stephenson \$30, in default six days in prison.

Quite expensive when the value of the jug and glass combined was \$1.20.

Tow trucks criticised

Altona Council will write to local tow truck companies, the VACC and the police complaining about tow truck drivers who do not bother to clean up broken glass in the city following motor accidents.

The council action follows a motion by Cr. Bill Sommers. Cr. Sommers told the recent meeting of council that he was concerned that many tow truck drivers who got the job of towing away smashed cars did not bother to clean up the mess.

"I understood that the tow truck company which got the job was duty-bound to clean up broken glass and debris," said Cr. Sommers.

Cr. Sommers said he had noticed a couple of instances where glass had not been cleared from the road in Altona recently.

"This could lead to a further accident or somebody puncturing a tyre," he said.

Little Aths track receives praise

People present during the recent little athletics' relayathon at Grant Reserve were full of praise for Altona's little athletics' track, Cr. Les Crofts told the recent meeting of Altona Council.

Cr. Crofts spoke in the absence of Little Athletics supporter, Cr. Ray Richards, who was absent from the meeting.

Cr. Crofts said he had been asked to thank the city engineer, Mr. Ralph Simmons, and council staff for the work that had been carried out in the area.

After Cr. Crofts had spoken, Cr. Doug Grant commented: "It should be pointed out, once again, Mr. Mayor, that the area referred to was once a rubbish tip."

Council's surplus

At the closing of accounts on September 30 this year, Altona Council finished with a surplus of \$18,174, Cr. Les Crofts told the recent council meeting.

Cr. Crofts, who is chairman of council's finance committee, said that at last after long years council's debts had been overcome and the council was on the right side of the ledger.

"We've worked within our budget and within our estimates," said Cr. Crofts.

"And I think full credit is due to council staff who have given their full co-operation in helping to maintain this budget control."

PRAISE

Students at Altona North Primary School recently raised \$1000 towards the cost of new equipment for the new wing at Altona District Hospital.

Reporting the matter to Altona Council recently, Cr. Pat Lynch was full of praise for the children.

"They have set the lead by raising this money in a very short space of time," said Cr. Lynch.

Cr. Lynch said he had been invited to present citizenship awards at the school. The awards were presented last Thursday afternoon.

A BEACH CLEAN

A good number of scouts, guides, brownies and lifesavers took part in this season's first beach clean, Cr. Bill Sommers reported to Altona Council recently.

The clean-up took place on a Sunday morning and Cr. Ray Richards co-ordinated the operation and thanked the young people for their help.

Altona's city engineer, Mr. Ralph Simmons, has been asked to make available some 44-gallon drums for the rubbish that is picked up at future beach cleans.

Library next year

A new library being built at Altona North High School would be finished by the end of 1973, the recent meeting of Altona Council was informed.

Decor OK

Altona council has agreed to put up Christmas decorations in Pier Street following a request by the Altona Chamber of Commerce.

And a Christmas tree has been placed on the porch of the civic offices in Civic Parade.

Splashing the photographer is a good game to play, especially when the sun's shining on a beautiful summer day. The Star's photographer got a drenching from five-year-old Altona boy Derryn Hiddle when he found him at Williamstown beach last week.

Watch kids in water: expert

"Nothing could be further from the truth", says Mr. Frank Y. Turley, general manager of the National Safety Council of Australia, in reference to the idea that all you need do to make a little child safe in a pool or at the beach is to give him some buoyancy device or an inflatable toy.

"All aids to buoyancy, inflatable or not, and all inflatable toys, like rubber ducks, rings, &c., are potentially dangerous", said Mr. Turley.

"Nothing relieves an adult of the responsibility for constant supervision.

"It only takes a few moments and a few inches of water for a little child to drown".

Mr. Turley added: "You can't afford to take your eyes off a little child anywhere near the water.

"In addition, there are two other important things to do.

"First, learn to swim yourself and have your children taught to swim as early as possible. Secondly, make sure you understand and can apply mouth to mouth resuscitation.

"You'll never forgive yourself if a child drowns because you were careless or ignorant".

New name official

The Footscray and District Hospital name change is official.

The new name, Western General Hospital, has been approved by the Hospitals and Charities Commission and formally ratified by advertisement in the Government Gazette.

THE LION'S ROAR

Thanks to the readers of this column, enough old sewing machines have been collected for the Lion's Club of Fiji.

However we are still in need of used text books suitable for children up to 6th grade, in fact any type of reading books for this age group would be acceptable.

Our Fijian friends are also in need of as many pairs of spectacles as they can get. If you have any of the above items phone Lion Noel Wood on 398 2871.

The Altona Lion's Club recently made a liberal donation to assist a deserted wife in North Altona who was in dire financial trouble.

An Altona widow had her back yard cleared of grass and a parcel of food was given to another deserving local family. These are only some of the many charitable acts carried out by yours and other Lion's Clubs throughout the world.

NEWS FROM CHURCHES

Williamstown Methodist Circuit.
Sunday, 17th December, 1972.

Electra Street. — 11 a.m., Rev. L. J. Slee; 8 p.m., Rev. L. J. Slee (carol festival).

John Street. — 11 a.m., Miss D. McNeill; 8 p.m., At Electra Street.

Newport. — 9.30 a.m., At St. Stephen's; 7 p.m., At Methodist (carol festival).

Spotswood. — 10.45 a.m., Mr. B. Dunn; 7 p.m., Rev. P. B. Robson.

Altona. — 11 a.m., Rev. P. B. Robson; 7 p.m., Mr. W. Baker.

Laverton. — 9.30 a.m., Church of England.

At Holy Trinity Church of England next Sunday, December 17th, the Children's Christmas service will be held at 11 a.m. Children are invited to bring a gift to place at the empty Christmas tree and these gifts will be taken to the Sisters of the Mission House, Fitzroy, for distribution to children in their care.

Other services that day will be Holy Communion at 8 a.m. and a carol service at 7 p.m.

Color your holiday

Get those brushes out and make use of the holiday period. Prepare for the next Beta Sigma Phi Annual art show.

It will be the ninth annual art show conducted by Beta Sigma Phi. Since its inception the show has gone from strength to strength.

CAMERA CORNER

At the final meeting of Williamstown Camera Club, members and their families saw several films taken by Mr. Len Moncur on a recent overseas tour including Russia, Norway and Lapland.

The club has enjoyed a steady increase in membership and the committee foresee a bright future for the club in 1973.

The club reopens on the first, Thursday in February.

Results of historical competition judged by Alec Murray: 1st, Mrs. M. Wyatt, 2nd Mrs. I. Trist, 3rd Mr. T. Young.

Children do their thing

A highlight of the Altona Primary School year — the annual concert and operetta — was performed at Altona Civic Hall last Wednesday and Thursday evenings.

An ex-pupil of the school, Simon Nette, who is making a name for himself in television, radio and theatre, captivated the audience with his recitations and singing.

The concert was composed by Mr. Ray Ross and included individual items by Tania McConachy, Leanne Littler, Carol Baker and Jenny Forbes.

Leading parts in Paradise Island which featured fine singing and dancing, colorful costumes and some excellent acting were taken by Mark Smith and Eric Sorrell (captain), Alan Young and Neil Merola (cabin boy), Matthew Pedlar and David Le Roy (Charlie Tarbottom), Jeanette Jones, Susan Kessner (queen), Tracey Kennedy, Janet Marks (princess) Jenny Augustini, Karen Davey

(witch doctor) and Peter Stephens, Ronald Kingston, Colin Hailay (first, second and third mate).

Sporting Lisbon will try out Juventus pair

By LAURIE SCHWAB

Two young Juventus players leave for Portugal next Tuesday hoping to make the grade in top-class European soccer.

They are the Sabidussi brothers, Carlo, 18, and Bruno, 16.

The two linkmen have been accepted for a trial with the famous Sporting Lisbon club, together with nine other young players from throughout the world.

Overseas trials for young players are a run of the mill thing in Sydney where present-day stars like Ray Baartz,

Johnny Warren and Max Tolson have all benefited greatly from short stints in the UK.

However, no Victorian player has, until now, had the same opportunity.

The Sabidussi brothers are the sons of former Juventus, Victorian and Australian full-back Joe Sabidussi, now team manager of Juventus.

Bruno has been a first team regular this year and showed great improvement

during the latter part of the season.

Carlo was making a name for himself until a fractured hip forced him onto the sidelines midway through the season.

The brothers got their big chance after having trained with touring Brazilian team Cruzeiro in Melbourne last January.

Cruzeiro coach Fontana was impressed, so he set in motion machinery that led to the trial with Sporting Lisbon, which is paying all expenses.

The boys will be away for an indefinite period. If they make the grade they'll stay in Portugal, if not, they'll go to Italy and if they don't make it there, they'll return to Australia.

Both boys have dedicated themselves to soccer and are confident they can reach the top here.

Carlo has just finished his matriculation at Fitzroy High School and Bruno is leaving at St. Joseph's College at East Brunswick.

Both want to become professional soccer players. Their second preference is a job in commerce.

American Airlines will fly the boys to Toronto, where they'll switch to Canadian Pacific, which has arranged a VIP reception for them — Press conference and all.

Bruno won Juventus' most improved player award at the club's presentation night last Friday.

Centre back Pat Della Rocca was best and fairest, Dino de Marchi top goalscorer, Fausto Tarquinio most consistent, Mike Harby best clubman and playing coach Bobby Thompson received a special trophy from all sections of the club, in appreciation of his good work.

\$1000 for top team

The Victorian State League competition will be backed by a sponsor for the first time next year.

The 12 teams will be vying for a \$1000 champion's prize, provided by Canberra Television Services Pty. Ltd.

Canberra will also provide a \$500 second, \$250 third and \$150 fourth prize.

An award of \$100 will be made to the State League player who scores the most goals.

Soccer for 1973 kicks off on January 10, with the opening round of the Ampol Cup.

Cup groupings are:
Section A: Hellas, Mel-

bourne, Hakoah, Juventus.

German for Austria

Austria has been strengthened by the arrival from West Germany of a 25-year-old striker.

He is Cuenter Witte, of Frankfurt amateur club, FC Bensheim.

Two more German players will arrive later this month.

Austria already has a new linkman from Germany—Juergen Wolte.

New Slavia player

Newly-promoted State League club Slavia has acquired a promising linkman from the UK.

He is 22-year-old Frank Campbell, a former Blackpool reserve who also played for Grimsby Town in the English first division.

Slavia is negotiating for two Irish players as well.

YARRAVILLE'S GOOD FORM SHORT-LIVED

CONTINUED FROM PAGE 11

Bowling: Bowyer, 7/67, 26.2 overs, 10 maidens; Dowling, 3/39, 25 overs; 7 maidens; Shaw 0/18, 5 overs; Harris 0/11, 3 overs.

WILLIAMSTOWN 2nd ins. Harris, n.o. 38; Shaw, n.o. 16; Sundries 5. Total: 0/59.

The thirds finished off another district side, Sunshine and move into fifth position.

Sunshine resumed at 3/25 when Laurie Hewet bowling unchanged finished with 8/51 off 16 overs. Ian McLeod 2/9 being the other wrecker.

They finished all out for 109.

Williamstown batted the second time and declared 2/56 with Ian McLeod 33 n.o.

Sunshine batted a second time and were 5/96 at stumps, with veteran Ian McLeod once again to the fore, taking 2/9.

Alan McLellan kept wicket well in the second innings.

So it was a three-love day to the Williamstown Cricket Club for the first time this season.

Next Saturday the thirds play at the Fearon Reserve; the firsts go to Box Hill for a one day fixture and the second eleven play Box Hill at home.

The club is hoping that

SEDDON DOWN BY 10 RUNS

Altona North managed in the second day's cricket against Seddon on Saturday to roll the opposition's wickets for a slim, 10-run win.

Seddon hung on with determination to try and match the 115 North knocked up the previous Saturday, but managed only 105 before the last wicket fell.

Seddon resumed on Saturday at 3-32 and looked shaky enough to give North a chance at a second innings. But wickets trundled regularly until Allan Perrusich took the last.

Batting out time in the second innings, North's R. Glazner compiled an excellent 50 and carried his bat.

Captain Stuart Harris took the second best score, 21 and the score at stumps was 6-93.

Altona North 115 and 6-93 (R. Glazner 50 n.o., S. Harris 21) d. Seddon 105 (D. Porter 3-17, K. Miller 3-33, A. Perrusich 2-23.).

SECONDS

The second XI had an early finish at Southport, after declaring at 9-218 and having Southport 5-29 on the first day.

North went ahead on Saturday to dismiss the entire Southport side for a miserable 49 runs total.

The second Southport innings was even less interesting. They managed only 17 runs, giving North an easy outright win.

ALTONA NORTH 9-218 (dec. d. SOUTHPORT 49 (D. Price 3-11, R. Buchanan 3-21, M. Outen 2-1) and 17 (M. Outen 4-3, D. Price 3-16, S. Spicer 1-2).

THIRDS

Chasing Powerhouse's score of 7-250 dec., North's third XI went cheaply, for only 74.

Steve Stewart, with 33,

JUNIORS

North's junior team suffered their first defeat for the season on Saturday, at the hands of Newport ANA.

Newport ANA declared on the first day at 4-120 and North, in reply, fell down when they managed 103 only.

The winning team scored seven runs with all wickets intact in their second innings.

NEWPORT ANA 4-120 dec. and 0-7 d. ALTONA NORTH 103 (R. Cassar 26, S. Burgess 22, K. Parkhill 18, G. Mather 10.)

Monash opens aid fund for students

Monash University has established a bursary fund to help underprivileged students to undertake a university course.

The scheme, to begin in 1973, will provide free tuition for about 20 prospective full-time students who have been offered a university place, but who are unable to accept it because of insufficient financial support.

The bursaries will also cover the payment of other compulsory university fees and provide a living allowance of up to \$1000, which may include a free place in a Hall of Residence or affiliated college.

Each bursary will be awarded initially for one year but may be renewed if the student's academic progress is satisfactory and he is continuing with a full-time course at Monash and is unable to obtain a Commonwealth University Scholarship.

The amount of the living allowance will be reviewed in the light of any change to his income and that of his parents or guardians.

Applications for bursaries will be received by the Academic Registrar of Monash University up until January 19, 1973.

Selection of applicants will be handled by a committee under the chairmanship of Professor S. S. Dunn, Dean of the Faculty of Education.

Further information can be obtained from the Information Officer, K. W. Bennetts at 544 0811, extension 2087.

NEWPORT FAILS AGAIN

By 'Fumbled'

Newport Cricket Club's senior XI told the same old story on Saturday, when they managed only 98 in reply to Frankston's 5-142 declared.

Frankston was left needing only 16 runs for an outright win, and had 2-20 in hand at stumps.

Bill Allsop, with 46 and Ricky Carrington, 28, batted well in a determined effort of stubborn resistance.

But their efforts were in vain... due to lack of concentration by their team mates.

SECONDS

Chasing Newport's first innings score of 163, Frankston batted all day to have 6-296 in the book at stumps. Newport bowlers tried hard all day, but on an ideal batting wicket they faced a difficult task.

Main bowlers in the Newport line-up were Hilary DeVos, 2/43 and Phil Humphries 2/85.

CLUB XI

Williamstown Colts resumed against Newport's club XI at 3/81 and were dismissed for 150. Chief wicket takers were Greg Sinnott, 5/60 and Tom Barrassi, 3/60.

Chasing an outright win, Newport forced the follow-on, but could not get rid of the opposition, who managed 113 for a loss of four wickets.

Printed and published by George David Gilmore, of 22 Codrington Street, Sandringham, for David Syme & Co. Limited, Head Office, 250 Spencer Street, Melbourne, 60 0421.

WANTED

Men or women who prefer outdoor health work in profitable business of your own. Pays better than most occupations. No experience or capital required. Good districts available. Full or part time work. Write or phone for information.

Personnel with good mechanical aptitude would be considered for these positions.

Good wages and conditions.

Superannuation available after qualifying period.

Apply in person Mr. J. Bayley
246 Hyde Street, Yarraville.
Phone 68 2201.

MUSIC FOR THE PEOPLE

Queen of the honky tonk and the keyboards Winifred Atwell and well-known tenor John Pickering will star at the Music For The People concert to be held at the Myer Music Bowl on Sunday, December 17, at 3.15 p.m.

Miss Atwell will include The Warsaw Concerto, My Way and a medley of her popular numbers. John

will include Your Tiny Handy Is Frozen, Come Back To Sorrento and I Believe. Winifred Atwell has been playing piano since she was four and had accomplished adult standards at six.

John represented Australia in the Pan-Pacific final of the New York Metropolitan Opera Auditions last year.

Yarraville's good form short-lived

Yarraville seemingly had the game against Williamstown shot to pieces when captain John Sharp, who had been going along nicely, played a novice shot and was clean bowled by Barry McConnell.

Williamstown then took control and from 7 for 211 they quickly accounted for Yarraville, when Les Joslin took the wicket of Rex Close and they were all out after having scored only another four runs.

Yarraville resumed their bowling of Bean when he was 40. Gilham was bowled by Geoff Horsburgh when 11, but his other night-watchman partner, Duggan, went on to make 61 before being caught behind by Tom Ferris, off the bowling of Horsburgh.

G. Gilham was another victim of Ferris, but off the bowling of Don McKenzie. Les Meyers batted nicely but was caught by Joslin with John Fowler the bowler.

Yarraville got to 200 and their Captain Sharp was settling in.

He and Kerr pushed the score along and were 211 and McConnell was bowling from the Somerville Road end of the oval.

Skipper Les Joslin offered him some advice and the advice given proved good as Barry took centre and off-stump with his final delivery.

Kerr scored four more runs this was to be his swan song and shortly after he was bowled by Horsburgh.

Keeper Horton and Bean had a misunderstanding in the middle of the pitch and Geoff Horsburgh raced the bewildered Bean down the track and ran him out, scattering all stumps.

Rex Close came in and faced the rest of the over and then the tea adjournment was taken.

Yarraville were now 12 behind their neighbor's tally of 227.

Horton and Close never ate and concentrated on batting practice during that period.

It was to be of no avail however as Les Joslin took the ball at the Somerville Road end after the interval and on his second ball he had Close lbw and so the Seagulls now move up the ladder to fourth position.

The rivals had really put on a crowd pleasing finish to a long awaited game.

Williamstown went in for their second innings and we found Sharp bowling with the wind in an express-like fashion, but Barry Hewet who partnered Don McKenzie opened with a four.

Don was to first to go lbw to Sharp when 11. Graeme Coulston joined Hewet, after Kevin Tweedley was hit on the jaw by a rising ball from Sharp when he was one run.

Coulston was bowled by Close without scoring.

Tweedley resumed his innings at this stage and he and Barry Hewet put on 51 runs when Hewet was caught behind off the

bowling of Bean when he was 40.

Dyson and Tweedley batted along until Dyson was also caught behind by Horton off the bowling of Bean. He made 23.

At the end of play Williamstown were four for 110 with Tweedley being still there 28 not out.

Scoreboard: WILLIAMSTOWN, First Innings: 9 for 227. YARRAVILLE, First Innings: Law, b. Les Joslin, 15; Cherry, b. John Fowler, 41; J. Gilham, b. Geoff Horsburgh, 11; Duggan, c. Tom Ferris, b. G. Horsburgh, 61.

G. Gilham, c. Ferris, b. McKenzie 13; L. Meyers, c. Joslin, b. Fowler, 35; J. Sharp, b. McConnell, 18; J. Kerr, b. Horsburgh, 16; G. Bean, run out, 0; E. Horton, not out, 0; R. Close, lbw Joslin, 0; Sundries 5; TOTAL 215.

Bowling: Salter 0/26, 3 overs; Horsburgh 3/41, 13 overs, 1 maiden; McConnell 1/4, 4 overs, 1 maiden; Joslin 2/51, 16.2 overs, 5 maidens; McKenzie 1/43, 8 overs.

Williamstown, 2nd Innings: McKenzie, lbw Sharp, 1; Hewet, c. Horton, b. Bean, 40; Coulston, b. Close, 0; Tweedley, not out, 28; Dyson, c. Horton, b. Bean 23; Sundries 8; 4/110.

Bowling: Sharp 1/30; Close 1/17; Bean 2/24; Kerr 0/31.

Williamstown seconds had a much needed win over the premiers and current leading side Yarraville on Saturday.

Yarraville resumed at 1/40 and despite a great knock by Fletcher for 38 and Carroll 22 it was not until wicketkeeper Woodford came to the crease that saved his side from a debacle with a gallant knock of 35.

Lou Dowling (Yarraville footballer) was the player who did the heavy work with 25 overs including 7 maidens, 3/39, whilst his fellow bowler, Peter Bowyer picked up six more wickets finishing with 7/67 off 26.2 overs, with 10 maidens.

Yarraville finished 24 runs behind Williamstown and the seconds had won their first game for the season.

Alan Harris and young Ron Shaw took complete control of the bowling and were 0/59 at stumps.

Score: WILLIAMSTOWN, 1st Innings 167. YARRAVILLE, 1st Inns, 143.

CONTINUED ON PAGE 10

Altona on top

Altona Bowling Club's A2 team continued its winning run by defeating West Brunswick, at home, by 36 shots, 120-84, at the weekend.

The Reserve three played away to Ascot Vale and lost by 21 shots, 85-106.

The B4 team, playing at home to Footscray City, ended a long, dry spell with a 12-shot win, 94-82.

This was a welcome victory, in view of the clubbing received from the Footscray club in the first match for the season.

Results: A2 — J. Fisher (skip), R. Douglas, H. Gibson, B. Nicholls, 39-16. S. Carton 27-19, T. Reid 30-23, F. Neilsen 24-26.

Reserve 3 — W. Crofts (skip), N. Richardson, L. O'Donnell, P. Kelly 21-17, L. Cox 27-27, W. Inglis 18-24, T. Burke 19-38.

B4 — L. Parker (skip), A. Burkett, J. Bocker, R. Allen 21-23, A. Neale 34-12, J. Carr 19-13, R. Allen 21-23, O. Holmes 20-34.

The final of the club's famed Golden Bowler tripels tournament was contested by a rink from Werribee, comprising Brian Harrison (skip), Henry Stowe and John Watters and a rink from the Altona Club, Bob Fullerton (skip), Syd Carton and John Newton.

In a tense battle, Werribee won the honors.

The popularity of this contest is becoming greater each year, next year should again see a record entry from clubs in the western suburbs ... and beyond.

SANDOWN PARK — THURSDAY

Race 1. — Little Em, 1; Rod John, 2; Enardgee, 3.

Race 10. — Benalbion Miss, 1; Glendale Glide, 2; Mesavi, 3.

BEST BET: BLUE NYE. EACH WAY CINDY LAKE.

MIXED LUCK FOR CRICKET TEAMS

The second day's play in cricket round five on Saturday provided plenty of entertainment for supporters.

The A and C grade teams recorded points, the Club XI had an outright win ... and the B grade team suffered an unlucky outright defeat.

A solid performance by Altona batsmen in the A grade match piled up 221 for a loss of six wickets, in reply to Hanoah Ajax's first innings tally of 157.

Colin Shaw, 70, and

Wayne Patton, 60, were the main batsmen while Paul Jenkins and Bruce Forrester both recorded scores in the 20s.

With only half-an-hour to bat, Ajax at stumps were 2/20. Bruce Forrester and Neil Cortoy took the wickets.

In the next round, Altona meet Altona North in what should be an interesting-packed match.

B GRADE:

Altona and Kensington showed in an exciting day's play on Saturday there is little separating them. The teams tied on the first innings with the result both went for outright points and provided plenty of excitement.

Altona's second innings lasted a little over an hour, during which a total of 91 runs went up on the board.

Highlight of the innings

was an excellent knock of 68 not out by Noel Michael.

With five wickets down, Altona declared, leaving Kensington 92 runs to get in 90 minutes.

Kensington set about the task in so doing lost five wickets, with a number of other chances going down. The necessary runs for an outright were scored with only four balls to go in the last over.

C GRADE:

Altona's C Grade XI resumed at 3/41 and lost Roy Evans with the score reaching only 44.

Middle Park's total of 128 seemed a long way off.

But fine batting by Graeme Hoshen and Ray Patton, in a partnership of 62, changed the picture.

Unfortunately, however, from 5/106 Altona collapsed sensationally to

9/120, with nine runs required for a win.

Peter Mildenhall rose to the occasion, with Alan Jobson, to add 25 for the last wicket. Middle Park's second innings was uneventful and at stumps their score was 9/106, with Ron Cook taking four wickets.

CLUB XI:

Altona's club XI, with an established lead of 27 runs from the first day, decided to bat on for a short spell on Saturday, during which they added another 30.

Laverton's second innings was short lived. Altona's Dick Conradi turned in a wonderful 7/10, with five wickets coming from one over.

The tally for the innings was only 26, giving Altona a win by an innings ... with runs to spare.

Spotswood teams in two outright wins

Outright wins by the senior XI and the North C team highlighted Saturday's cricket for Spotswood.

To round off the story, the senior division seconds had a first innings win and the North A team lost.

Senior XI captain, Ian Marsden declared Spotswood's innings closed at the start of Saturday's play, against Richmond Union.

Spotswood's lead of 56 looked good, when Terry

McGarity claimed a wicket in his first over.

McGarity claimed a second wicket later, taking his figures for the day to 2/10.

Spinners Paul John, 5/22, and Ian Marsden, 3/23, finished the job and the Richmond side managed to add only 77 to their first innings score.

The task of compiling the necessary 22 runs was given to Robert Doyle, with 13, and Gary Mildern, 12.

With three wins in a row, Spotswood is consolidating its position in the four.

SECONDS

Spotswood, after dismissing Richmond Union for 89 in the first innings declared in reply at 5/179, giving them a valuable 90-run lead.

But the visiting Richmond side battled with more determination in the second innings and totalled 193 runs.

Left with the need to

Lapidary club meeting

The Western Suburbs Lapidary Club's next meeting will be held in Electra Street Methodist Hall, Williamstown, on December 14, at 8 p.m. The Christmas party will be held in the Sunshine City Band Hall, corner of Stanford and Wright streets, on December 16 at 8 p.m.

an hour, the home team found the strain too great, despite a fine knock from the hard-hitting Rodney Lee, who carried his bat for 42, and Ray Nicol's 17.

Spotswood managed 4/82 before stumps.

Spotswood's North A team compiled 196 in their first "dig" the first day and found on Saturday it was not enough to avoid defeat at the hands of La Trobe University.

The academic side finished with 6/217 to take first innings points.

Arthur Gee worked hard for Spotswood and took three La Trobe wickets for 60 runs.

The Spotswood North C team had a big win ... its

members gained their first points for the season.

Declaring at 4/221 on the first day, Spotswood bundled Hakoah-Ajax out for a combined innings total of 125.

"Bomber" Thomas and Don Sturrock were the wicket wreckers in both slams.

In Hakoah's first innings, worth only 60 runs, Thomas collected 6/13 and Sturrock 3/13.

In a second innings, both Thomas and Sturrock took five wickets.

Thomas allowed only 16 runs from his bowling and Sturrock only 26.

Congratulations on their fine efforts are due to both bowlers ... and to the team on its fine win.

'70 FAIRMONT V6
Enjoy motoring at its very best in this good, clean automatic with extras including heater. Smart-looking in green duco with tan interior. Long registration.

'I CARE... that our customer finance is the most competitive in town.

'71 FALCON 500 XY
Here's a manual sedan that's been lavishly cared for by one owner and given many extras including tan assisted heater and G.S. Pack. Shimmering green exterior, black interior. Be quick to get it.

'85 FALCON XP 2 DR.
Sunshine's the place for the bargain of your life right now. Automatic, hardtop, burgundy duco, beige interior, radio, heater.

'I CARE... about the quality of my car.

'71 FIAT 128
These don't come too often, and here is a beauty. Manual sedan, better than that! Automatic, with heater. Make your own competitive price!

'70 VALIANT V6 REGAL
A good clean Valiant is hard to beat for value and this is even better than that! Automatic, with radio, heater, bucket seats, cat-pet. Green duco.

Your Guide to Buying a Good Used Car
Inspect bodywork for obvious defects in panels, look for rust. Ensure doors close smoothly and lock properly. Check engine oil level and stop lights. Turn on indicator in working order. Look for unevenly worn tyres.

BODY WORK & TYRES
Inspect bodywork for obvious defects in panels, look for rust. Ensure doors close smoothly and lock properly. Check engine oil level and stop lights. Turn on indicator in working order. Look for unevenly worn tyres.

UNDER THE BONNET
Test the engine for starting, smooth idling, undue exhaust, is the engine clean, no oil leaks. Listen for excessive noise. Test drive to check acceleration and power. Clutch, gears, steering and braking, electrical and cooling systems.

INTERIOR
Check floor, ceiling for cleanliness and condition, seating for upholstery springs, look for sagging. Check panel, speedo, fuel gauge, etc.
